Submission to Co-design process

Hi, I'm a descendant of an English Convict, combined with English and German settlers. I was born in Brisbane and have lived here the majority of my life. I consider Brisbane my Home. I acknowledge that Brisbane has been home to Indigenous Australians for tens of thousands of years.

*Why do you think the Uluru Statement from the Heart is important?*

It is not acceptable for Indigenous Australians to be mistreated.

*Why is it important for Indigenous people to have a say in the matters that affect them?*

Indigenous Australians must control their destiny.

*Why do you think it's important to enshrine the Voice to Parliament in the Constitution, rather than include it only in legislation?*

Improvements made must be ever growing, not something that can be reduced.

*How could a Voice to Parliament improve the lives of your community?*

It would be great if Indigenous culture could be shared with more Australians.

Thank you,
