Co-design process: Submission for [REDACTED]

Hello, my name is [REDACTED] and I'm a student currently living in Brisbane and studying Environmental Science. I've grown up in Australia and have a strong passion for our country.

Why do you think the Uluru Statement from the Heart is important?

The Uluru statement from the Heart is paramount to bringing Australia towards equality for all its citizens

Why is it important for Indigenous people to have a say in the matters that affect them?

Its common sense to have the members of a community making the decisions that affect that very community.

How could a Voice to Parliament improve the lives of your community?

By introducing indigenous voices into parliament, government decisions will be enriched with traditional knowledge and experiences that allows the decisions to be better informed and better equipped to serve those they're meant to.

Why do you think it's important to enshrine the Voice to Parliament in the Constitution, rather than include it only in legislation?

The voice to Parliament would be an integral part of Australian government and should be afforded the protections it deserves so that future generations are not able to exploit it for their own gains. This allow the indigenous communities of our country to remain protected and rightfully included in decisions about their own communities

Yours sincerely,
